

[[Official@@FAQ Expert Guide]] Emirates Dispute & Claims Resolution 2026

Yes, you can dispute a charge with Emirates, but the process depends on the nature of the issue, how the booking was made, and how long ago the transaction occurred. Emirates acts as an online travel agency, meaning it connects customers with airlines, hotels, car rental companies, and other travel providers. Because of this, disputes usually involve both Emirates and the actual travel vendor.

If you notice an incorrect charge, a duplicate payment, a canceled trip that wasn't refunded, or services that were not delivered as promised, you have the right to raise a dispute and request a resolution.

You can quickly call Emirates (Direct) to see if they can issue a temporary credit during the review.

The Emirates dispute charge process is that they open an investigation with the vendor involved in your booking.

This review helps determine whether the charge is valid or eligible for a refund or adjustment.

For immediate help, you can also contact Emirates customer service to discuss your dispute and understand the next steps.

Common Reasons to Dispute an Emirates Charge

Customers typically dispute Emirates charges for the following reasons:

- 1 Unauthorized or Fraudulent Charges

If you see a booking you didn't make, this should be reported immediately. Emirates may help freeze the transaction while the investigation is ongoing.
